Qiyomiddin Jumabekov

Junior Backend Developer (Java / Spring)

+998 50 788 96 70 | Email | GitHub | LinkedIn | Portfolio | Tashkent, Uzbekistan

PROFILE

Junior Backend Developer with hands-on experience building RESTful services in Java and Spring Boot, including a microservice-based architecture. Comfortable with Spring Security, PostgreSQL, and REST API design, and apply SOLID principles in daily development. Actively use AI-assisted workflows (Claude) to accelerate development and improve code quality. Eager to grow within a professional team, including fintech/high-load environments.

TECHNICAL SKILLS

Languages: Java

Frameworks: Spring Boot, Spring Security, Hibernate

Databases: PostgreSQL

API: REST API

Tools: Git, GitHub, Postman, Maven

Other: OOP, SQL basics, Design Principles : SOLID, DRY, KISS , AI-Assisted Development : Claude, Prompt Engineering

PROJECTS

Kun.uz — Backend Clone (Educational Project)

Backend clone of the Kun.uz news portal, built to practice production-style backend architecture.

- Implemented user registration and authentication with Spring Security
- Built full CRUD functionality for news articles via REST API
- Developed an SMS verification system for account confirmation
- Designed and integrated a PostgreSQL relational database schema
- Tech stack: Java 17, Spring Boot, Spring Security, PostgreSQL, REST API, Maven

GitHub : https://github.com/qiyomiddin-jumabekov/kun.uz

SMS Verification Microservice (Educational Project)

Standalone microservice for SMS-based user verification, integrated with the Kun.uz backend via RestTemplate.

- **- Built as an independent service with its own PostgreSQL database**
- **- Implemented REST endpoints for generating, sending, and verifying codes**
- **- Tech stack: Java 17, Spring Boot, Spring Security, PostgreSQL, REST API**

GitHub : https://github.com/qiyomiddin-jumabekov/sms-system

EDUCATION

Tashkent University of Information Technologies

Bachelor's Degree — Business Management 2025 - Present

CERTIFICATES

- Java Backend Development — Brain Academy, in partnership with Nordic University

LANGUAGES

Uzbek: Native

English: Intermediate (B1–B2)
